# Final Conference

21 april 2021 09:00 - 13:00 CEST

Online - registration required on:

[www.prevailforestfires.eu/conference](http://www.prevailforestfires.eu/conference)

## Program

### 09.00 – 09.15: Welcome and conference presentation

**Anna Barbati** (Project coordinator, University of Tuscia)

### 09.15 – 10.00: Project results overview

**Antonio Tomao** (University of Tuscia)

Funds invested in forest fire prevention in Mediterranean countries

**Gavriil Xanthopoulos** (DEMETER – Institute of Mediterranean & Forest Ecosystems)

Where and when large fires occur in southern Europe and where they stop and simulated influence of fuel treatments on firefighting demand

**Eduard Plana Bach & Marta Serra** (Forest Science and Technology Centre of Catalonia)

Lessons learnt to enhance wildfire risk mitigation through agro-forestry and fuel management activities: framing best practices and smart solutions towards fire resilient landscapes

**Francisco Rego & Conceição Colaço** (CEABN, ISA, University of Lisbon)

Socio-ecological decision support system (DSS) for effective fuel management

### 10.00 – 11.15: DSS – Serious Game

Moderators:

**Francisco Rego & Conceição Colaço** (CEABN, ISA, University of Lisbon)

### Smart solutions documentary trailer

(University of Naples Federico II, Compagnia delle Foreste)

### 11.15 – 11.45: Break

### 11.45– 12.45: Round table:

### Bioeconomy and fire management in Southern Europe

Moderator:

**Davide Ascoli** (University of Turin)

Invited speakers:

**Ana Noriega** (General Secretary PEFC Spain)

**Inazio Martínez de Arano** (Director of EFIMED)

**Davide Pettenella** (University of Padova)

### 12.45 – 13.00: Conclusions

**Evangelia Tsartsou** (DG for European Civil Protection and Humanitarian Aid Operations)

### Scientific Committee

Francesco Giannino, Mauro Moreno – University of Naples Federico II

Davide Ascoli – University of Turin

Anna Barbati, Antonio Tomao – University of Tuscia

Conceição Colaço, Catarina Sequeira, Vanda Acácio,

Francisco Castro Rego – CEABN, ISA, University of Lisbon

Gavriil Xanthopoulos – DEMETER– Institute of Mediterranean & Forest Ecosystems

Eduard Plana, Marta Serra – Forest Science and Technology Centre of Catalonia
